

# Statement of Purpose

Kittipat Apicharttrisorn

September 21, 2013

## **Abstract**

This Statement of Purpose is created in order to submit for an application of a Ph.D. program at distinguished universities in the United States of America. It describes my knowledge and experience that I have accumulated over a decade. It also enumerates my research interest and motivation to study at the Ph.D level. Finally, it illustrates my career goals in the next five years after graduation.

## **1 Knowledge and Experience**

state my B.Eng at Kaset, my MS at chula, and professional exp at Aerothai

## **2 Interest and Motivation**

why go for PhD, what professor and project interest you

## **3 Career Goals**

What you want to be or to do in the next five or ten years
